# WORLDWIDE WARRANTY

The Company warrants all Carlton luggage for 3/5\* years from the date of purchase by the user against manufacturing defects in material and workmanship subject to the following conditions:

- a. The warranty card and the invoice must be duly filled in, dated, stamped and signed by the authorised dealer (except for institutional purchase).
- b. The original card and the original invoice clearly showing the date of purchase must be retained and produced along with the defective piece.
- c. The warranty card will be valid only if it is signed and stamped by the Company or its Authorised Dealer.
- d. The piece must be delivered to the nearest service centre and taken back from the same centre at the user's cost.
- e. The Company reserves the right to repair or replace the defective piece as deemed suitable.

**The warranty is not valid for:**

- a. Damages resulting from accidents, mishandling, negligence, unauthorised repair, tampering, loss of components or accessories, normal wear and tear, exposure to solvents or acids, exposure to extreme heat / temperature and rain / water.
- b. Replacement / repair of attaché case folios and suitcase / trolley case divider flaps.
- c. Powder coating, plating of locks, frames, channels and other metallic surfaces.
- d. Damages from mishandling and abuse in transit (in case of such abuse, user must immediately file a claim with the carrier before leaving the transport terminal).
- e. Damage to leather trimmings, if any.

The Company or its selling agents will undertake to repair or replace the defective parts / piece within a reasonable period of time and its decision to the nature of defect and the applicability of the warranty is final.

The Company's liability for damage is restricted to the repair / replacement of the defective piece. The liability under this warranty shall in no event and under no circumstances exceed the price paid by customer to the Company for the goods detailed in the invoice. This warranty excludes every condition / warranty / liability not expressly set out herein.

The locks and security mechanism fitted on the luggage are delaying devices and cannot prevent theft of contents or the luggage. The Company shall not be responsible for any consequential loss or damage.

\*Check the individual warranty card of the product purchased.
