OPTIK PAPER®

The difference even non-experts can feel.

OPTIK® PAPER

Feel the difference

THE INCOMPARABLE OPTIK PAPER®: INK DOES NOT BLEED THROUGH THE PAPER, IT IS PURE WHITE, FEELS SOFT AND SILKY AND DOES NOT TEAR EASILY. THE STRENGTH OF THE PAPER AND THE NO INK SHOW-THROUGH, MAKES THE NOTEBOOK LOOK IT´S BEST AND LAST TO THE VERY END, WRITING ON BOTH SIDES OF THE PAPER. WRITING NEATLY ON OPTIK PAPER® IS EFFORTLESS. THIS EMPHASIS ON EXCELLENCE THEREFORE EQUIPS YOU TO PERFORM TO THE VERY BEST OF YOUR ABILITY WITH CONFIDENCE.

DOT RULING

- Makes your notes stand out.
- The perfect ruling that gives you freedom to do all the note-technics you need.
- It allows you to doodle, schedule in boxes, write on guided lines, draw shapes, paragraphs and much more.
- It removes the limits of following the lines or boxes that you normally have in ruled or squared paper, but still supports you when needed.

SUSTAINABILITY

Our vision

As a family group, HAMELIN favors a long view rather than focus exclusively on short-term profit. We believe in human potential and are keen to foster talent and skills by offering our consumers the most innovative, useful, and sustainable products to support their studies and projects. Furthermore, we are committed to continuously reducing our environmental footprint throughout the product lifecycle.

EU Ecolabel
www.ecolabel.eu

EU Ecolabel: FR/046/001

KNOW THE DIFFERENCE!

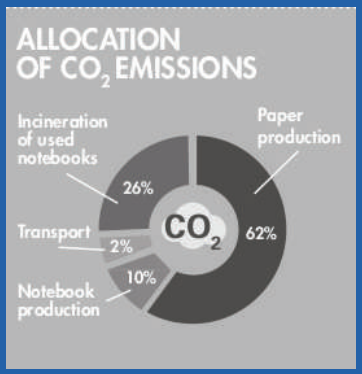

Reducing our environmental footprint

Our objective is to revisit our products continuously to optimize their environmental footprint using eco-design and ecolabelling.

Our L.E.D program (Leading Eco Design): We are working to reduce the environmental footprint of our products throughout their lifecycle, from paper production and manufacturing of notebooks and diaries, to transport and end of life.

OPTIK PAPER® is only made of certified FSC or PEFC virgin paper fibers.

OPTIK PAPER® is then a guarantee for our customers and consumers to contribute to the sustainable management of the forest resources and to meet the environmental demands of the European Eco-label (EU Flower) for paper mill processes.

QUALITY

FEEL THE DIFFERENCE!

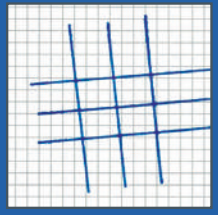

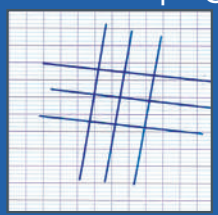

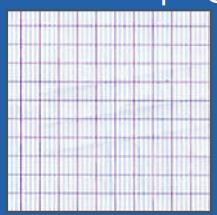

OPTIK PAPER®

An incomparable paper

- Feel the pleasure of writing on a silky-smooth surface that allows the pen nib to slide perfectly across the page.
- Feel the comfort of reading with the perfect contrast between the optimized paper whiteness and the nicely printed ruling.

Because notes, thoughts and ideas are more prolific when they feed on the pleasure that premium quality OPTIK PAPER® brings! Sized paper tests done in compliance with the NF Q03-015 certification.

Feel the confidence of a paper that won't disappoint you.
With tear-proof OPTIK PAPER® the ink does not show through, so you can write on both sides of the page.

OXFORD QUICK'IN PUNCHED POCKED PAD

No more creased punched pockets, in a mess and packed in a torn bag that is impossible to keep! Here is, finally, a useful and clever solution: the pad with detachable punched pockets! The pockets are perfectly maintained in the pad and they detach easily, one by one. It protects the unused pockets, effectively and durably. The Quick'In punched pocket has a wide opening that allows an easy document insertion.
